### EXPERTISE

- WEB DESIGN
- UX / UI DESIGN
- FRONT-END DEVELOPMENT
- WORDPRESS
- SKETCH

## PROJECTS

FRONT-END WEB DEV / OCT 2020 - ONGOING

### SENSO.CLOUD

Remote monitoring solution using .NET framework, Razor HTML, C# back-end and jQuery / Sass on the front-end. Also experience with Azure functions and Xamarin.

FRONT-END WEB DEV / APR 2020 - ONGOING

### UPWORK

Ongoing freelance work for various clients, mostly involving Wordpress, Elementor, Shopify and numerous other plugins to upgrade and bring WP sites to life.

FRONT-END WEB DEV / WEBMASTER / NOV 2018 - JUNE 2021

### ENGLISHXP.CO.UK

This is a modified wordpress template, using CSS and Elementor plugin to set the right tone for the content. I created and worked on this site until selling it in 2021.

## PROFESSIONAL SKILLS

- |              |                        |         |                        |
|--------------|------------------------|---------|------------------------|
| • HTML5      | <div><div></div></div> | • CSS3  | <div><div></div></div> |
| • JAVASCRIPT | <div><div></div></div> | • C#    | <div><div></div></div> |
| • SASS       | <div><div></div></div> | • REACT | <div><div></div></div> |

## EDUCATION

FREECODECAMP / Nov 2019 - Ongoing

### DEVELOPER CERTIFICATION

Modules completed: Applied visual design, Applied accessibility, Bootstrap, Responsive web design, JS algorithms and data structures, jQuery, React, Redux, Sass.

CODECADEMY / Nov 2019 - Ongoing

### DEVELOPER CERTIFICATION

Codecademy is where I started my learning journey online. I completed the courses "Introduction to JavaScript" and "Learn PHP".

DE MONTFORT UNIVERSITY / Sep 2008 - Jun 2010

### MUSIC TECHNOLOGY FDSC

This course was invaluable in giving me both engineering skills (logical thinking and problem solving) and creative thinking which has helped so much with my design.

## INTERESTS

### • JAPANESE SPEAKER

I have been teaching myself Japanese since 2018 and am around JLPT N3 level (B1).

### • MUSIC PRODUCER

I enjoy writing electronic music and have supported a number of big names live while DJ'ing in the past.
